

2ic Science - September 2026

TLR 1A (£10,174)

St Angela's is a unique and exceptional school rated Outstanding by OfSTED in November 2022. You should consider this post if you are committed to ensure our excellent students are constantly challenged to develop personally as well as academically.

The staff of St Angela's are first and foremost subject experts who are hard working, forward thinking and a well paid and cared for staff that demonstrate their outstanding nature each day.

The core purpose of the role is:

To support the Head of Science in ensuring the highest standards of pupil achievement within Science in all key stages. inc KS5

To lead, develop and enhance the teaching practice of all the teachers of Science evaluating the quality of teaching and securing and sustaining effective teaching of the subject.

This is an excellent opportunity to become a leader in Science, teaching to KS5 that will help shape the direction of this highly successful department to even greater accomplishments. This role is excellent for those aspiring to be a future Head of Science or senior leader.

Please contact Miss F Murphy St Angela's Ursuline School, St George's Road, Forest Gate, London, E7 8HU.
